THE DREAM SCHOLARSHIP

The Anhel Project is a non-for-profit organization that consists of a group of student leaders and professionals from various educational institutions and community based organizations in Chicago. Our goal is to support undocumented students, who despite growing up in the United States and earning a high school diploma, continuously face challenging road blocks when pursuing a post-secondary education. The biggest obstacle is financial need due to their ineligibility to apply for federal and state financial aid. The Anhel Project Dream Scholarship will be awarded to deserving undergraduate or graduate students who demonstrate leadership, academic competitiveness, community involvement, and financial need.

MOBILE SIRI WINTER SCHOLARSHIP

At MobileSiri, we strongly believe in the power of education for the change and continuous evolution of society. Although many have a privilege to pay the tuition fee and other expenses without doing the part time jobs, not everyone is that privileged. And the recent studies suggest it is those who are not enjoying the comforts of life to the fullest are mostly that make a difference. We understand that schools, colleges and universities can be a major expense and how hard it is for the students to meet the high ends. The Cost of attending university or college can reach up to and beyond tens of thousand dollars. That is why, as our philosophy to value education, we are offering bi-yearly (February & September) \$1,000 value scholarship to the students enrolled in the colleges or universities as full-time.

WEAR ACTION SCHOLARSHIP

We've created a \$500 Wear Action scholarship, to not only help ease the burden of school costs, but to promote healthy living. We believe healthy living, eating right, exercising, and positive thinking are essential tools to succeed not just in school, but in life. We also firmly believe that fitness gadgets, like trackers and monitors are a major component to making that all happen- especially for students. Between studying, work and family, it is easy to forget to exercise or skip meals, but with the right gadget, you can stay on the right path in and out of class. Our scholarship focuses on this idea, which is why we are looking for the best essay centered around this title: "How do fitness gadgets impact our life". If you feel like we do, and are good at putting words to paper, then don't waste another second, or dollar, and enter for a chance to win.
